The intelligence from Beyront of the 20th ult., describes the countainous districts of Syria as in a state of complete insurrection. The people of A large meeting has been held at Cincinnati Kimil, near Hebron, had likewise raised the under the auspices of ex-Senator Morris, at which standard, and the Governor of St. Jean d'Acre bad been obliged to march against them, and eat the following resolutions were passed: sily repressed the movement.

DOMESTIC.

Suspected Slaver. We learn that during the week the marshal of this district has seized upon to engage in the slave trade. The seizure is next, are requested to nominate some other candi made under the act of Congress in such cases date to fill his place. made and provided. The Ann, we understand, is a new vessel, and has never yet made a voyage.-Baltimore Chroniele.

Prize Essay. In the year 1838, the American Institute of Instruction offered a premium of five of Education best adapted to the Common Schools of our country," to be delivered to the Directors presented for the Prize, and a Committee, consis- thus: ting of the Hon. William B. Cathoun, of Springtors in November last, said Committee reported, Journal a committee, with power to cause the Essay to be published in a volume, and, in such other way as he might think fit. This last nuthority was given for the purpose of allowing us to pub-lish it, or any parts of it, in this paper. From what we learn respecting the Essay, from the Committee, we have reason to believe that it is a prodution of the very first order, eminently deserving the honor of winning the Prize, and one which will be emineally instructive to all teachers and friends of Common Schools in our country It is our purpose to give to it, through the col umns of the next volume of our Journal, and oth-

erwise, as wide a circulation as possible.

Boston Common School Journal. The Philadelphia Schuylkill Bank has stopped, in consequence of the discovery of a fraud on the part of the Cashier.

We see it stated that 5000 persons, in Pittsburgh, prostration of business. Similar reports come to us from many other manufacturing and commer cial places. The winter opens, in truth, with gloomy prospects for a large portion of our population, and economy, at all times a virtue, will be required, by necessitit, of all classes.

Another cutrage in the name of S'avery. The Congregational meeting house, in Wolcott, Connecticut, was destroyed by fire on the night of the 11th, with such exposions of gunpowder, that firemen were alarmed, and would not approach it. An anti-slavery meeting was to be held in it

Horrid Marder .- We learn from various sour ces of the commission of a most horrid murder at Braintree on the 6th inst. by Franklin Killum on the person of his wife, Sally, aged 27. He sent her down cellar on some errand, followed her and Whig gain \$33. struck her several blows on the head with a shovel, which, not proving fatal, he followed her to a but was overpowered by the former, who wrested the razor from him and secured him. It is pro hable that he intended to have murdered the whole family.

He has been lodged in jail at Chelses and wil! probably be tried before the Court now in session

There was rum in the affair, and some say jeal-MILITARY CONVENTION.

To the militia, and friends of an efficient militia system in Vermont and New Hampshire; Gentlemen - You are respectfully requested to meet in Military Convention at Norwich, Vermont,

on the 8th day of January next, at 11 o'clock, A. M. for the purpose of acting on the following sub-1st. To take into consideration the best means

of elevating the standard and character of the militia, not only of Vermont and New Hampshire, but of the United States, to that proud pre eminence on which the framers of the Constitution of the United States, evidently intended to place them.

2d. To take into consideration the propriety of market were unsaleable recommending to the militia of the New England kee at reduced prices. States, to celebrate the anniversary of the battle of the battle of Bunkerhill, (the 17th of June,) by a grand military fete, on that consecrated ground - and of inviting the militin of our sister States, and also the friends of an efficient militia generally, to make and take part in the duries of the day, 3d. To take into consideration the pre ent mi i tia law of vermont, and see whether any, and if any, what alterations and amendment ought to be

4th. To transact any other business that may be deeme I necessary.

It is earnestly desired and hoped, that there will be a general attendance. It is believed that on that proud eminence where the framers of the Constitution place them, and of frequently bring-ing to recollection, those scenes and events of our revolutionary contest, where their ancestors so revolutionary contest, where their ancestors so nobly distinguished themselves. It is confidently believed, that the descendants of Allen, of Warren, of Stark and of Cilley, will cheerfully respond to this request.

A. PARTRIDGE.

We take nothing back whatever from our alle field, George B. Emerson, Esq., of Boston, and Emory Washburn, Esq., of Worcester, was chosen to examine them. At a meeting of the Director of the Company of the Compan ment. If Mr. Butler has not received instructions to prosecute Mr. Hoyt for these claims, he ought to have received them. Neither Mr. Hoyt nor that they bad agreed unanimously to award the Prize to Thomas II. Palmer, Eq., of Pittsford, Vt. The Directors then appointed the Editor of this Mr. Hoyt for the amount of his defalcations, and that these demands have hitherto been unsuc cessful. We know this fact, or we would not as sert it; and the administration well knows that we could state much more upon this subject, it we thought proper.

Fire. The clothing works of Thompson and Scabury in Waterbury were burnt on the morning of the 26th. Loss \$2000-no insurance.

> From the Albany Evening Journal. HOW STANDS NEW YORK?

It is a standing boast of the Loco Focos, that the Whig majority in the Empire State has this year been reduced from 10,000 to 4,000. How true this is may be judged from the following facts: In the first, sixth and eighth districts, the Whig candidates for Senator ran behind their tickets.-In the first, the city vote is about 2,000 less than in the sixth, our Senator ran about 1,000 belief the Whig Assembly tickets, from the effect of a most ferocious and treacherous personal assembles upon hun; and in the eighth, there was no contest, and over 5,0 0 Whogs staid at home. All the other districts were fairly fought, and they give
